The Ministry of Education and Schools Administration has the authority to modify the academic calendar for the 2023/2024 school year. This means that the dates and schedules outlined in the calendar may be changed or updated by the relevant ministry. It is important for students, parents, and educational institutions to stay informed about any modifications made to the calendar in order to plan their academic activities accordingly. The ministry's decision to modify the calendar could be influenced by various factors, such as the need for additional instructional days or changes in educational policies or requirements of the rules and regulations of the Kingdom of Saudi Arabia and the FBISE.
